Dear **ROSHNI R**

We are pleased to offer you an **Internship opportunity** with **<CodeIO/>**, the premier technical community and club in the Department of **Computer Science and Engineering** for the duration of **22nd April to 30th June 2024**. As per your application and selection process, you will be assigned to work with the department faculty.

We believe that your skills and qualifications align perfectly with the project's requirements. We are confident that you will bring value to the project and contribute to our team's success.

**During your internship, you will have the following roles and responsibilities:**
1. Students should be available on the college campus during the internship period.
2. Collaborate with the team to develop and implement a given project.
3. Write high-quality code.
4. Troubleshoot and debug project issues
5. Participate in team meetings and provide updates on project progress.
6. Participate in project development and contribute to project documentation.

We expect that you satisfactorily fulfill all assigned roles and responsibilities to meet internship requirements. **At the end of your internship, you will receive a certificate of completion upon satisfactory completion of the project.**

We look forward to working with you and wish you success in your internship.

Sincerely,
**<CodeIO/> Team**

**HOD, Dept. of CSE**

Head of the Department
